Correspondence in -

Correspondence out –

Various emails and letters to Head Office by Peter.

Letters verifying ASRF membership for Rod registration renewals.

TAC

A meeting was held with State Growth to discuss Rod Rego. Their interpretation of this scheme is that post 49 vehicles only are eligible not all ASRF vehicles.

Presently our insurance coverage is only for inspecting vehicles which meet the Street Rod Guidelines.

TAC vehicle inspection fees discussed. Advice on the fee structure will be sent to all clubs for discussion.

Requested that a TAC rep from each club be appointed to form a state TAC committee.

Vehicle application to build form being updated by Steve.

Financial Reports –

Financial report presented.

General Business.

NCC AGM. Peter advised he would prepare a document and send to all Clubs explaining his actions in voting yes to the Pre 78 proposal.

2022 Regional Nationals. Proposal was accepted. Event name cannot include “Street Rod”. Proposed that numbered Nationals be based in a central location for a period of time. Filling committee positions is a growing issue.

Proposed by EFCT that insurance for AM roadster be paid by DC. Seconded by VD. Proposal carried.

Sanctions Received

Nil

Club Business

It has been requested that Clubs submit sanction requests to the SC as early as possible to allow proper processing and allocation of sanction numbers. It is also required that the requester include their ASRF membership number when completing sanction forms.

In order for the Club hosting an event to achieve maximum attendance it is recommended that a flyer be posted out to all clubs which can be tabled and discussed at their meetings.
