

## **ASRF NSW JUNE 2020 NEWSLETTER**

Good Morning all.

We are still in a sort of Lockdown. At least Club Runs and Breakfasts are now OK. You must still abide by Social Distancing restrictions. I have been asked when are we going to return to having DC Meetings again?

At the moment with the Social Distancing Restrictions half the attendees would be out in the carpark and it is a bit cold for that at the moment. Besides with not having Rod Runs and no Sanctioned events or applications there is not much to talk about.

\*WA will be having a DC Meeting this month and so have ACT. However, these smaller states have a lessor number of clubs and people that attend. The Dragens have asked me to sit in on one of their ZOOM club meetings to see what that is like. VIC DC have installed ZOOM this month at their DC Meeting rooms in Keysborough. We will see what the future holds. The NCC will be holding another Phone Conference on the 24/6/2020 at 6.00pm to discuss lifting further restrictions.

\*Vale John Beers partner Sue Hodson Beer passed away last week.

\*There has been a Video Link with the RMS this week amongst the Stake holders of the ACMC in regards to H and CVS Log book changes. There is nothing to panic about. Darren Abela and Troy Fewings have been kept up to speed with all the correspondence. Once there is an official statement released, you will be informed.

\*Congratulations must go the Rickshaws Club. They have donated \$5,000 to the Cooranbong RFS after their successful MAD Day at Morisset Showground. Photos will follow soon when available.

### **\*ASRF NSW STATE TREASURER AND SECRETARY POSITIONS.**

As you all know these positions come up every 2 years. Rick Diamante from Jokers Wild has nominated that Phil Trifon (NSW State Treasurer) and Bonny Nobrega (NSW State Secretary) retain their positions. A week later Barney Kodzy has nominated the above to people to be re-elected also. I have contacted both Phil and Bonny and they are happy to continue in their roles

for the next 2 years. Bonny wants a pay rise as he thinks he is worth double. I will have to consult Phil about that one.

That gives me a nomination and a seconder for the positions. Both people have accepted their nominations. If I have no other nominations or objections to these nominations by July 2020, I will accept this proposal as unanimous.

\*You should have all received your reimbursements and your number plates by now from Goulburn Nationals. If you have not, you can contact Al Cooper (ACT Director) for assistance.

The current issue of the Street Rodder News should be in your hands next week.

\* The Albury Nats committee will be having a phone hook up in approx... 2 weeks' time to finalise the entry form and many other items for the ALBURY 2021 Nationals. We are possibly looking at another recon. trip to Albury in July if the State Border restrictions are lifted. We wish to welcome aboard Neil Hunt from Victoria as part of the committee. Neil will be sourcing the input for the program including sponsors/advertisers etc. Neil organised the content for the Maryborough Nats. Program and the Bendigo Nats. Program. Larry O'Toole will be producing the program. So, if you wish to advertise in the program, I will give out Neil's details in the next Newsletter.

Until Then Take Care and Stay Safe.

Yours Sincerely

David Clift
