

ASRF AUGUST NEWSLETTER 2020

Hi All

We are still under Covid 19 Rules and at times it looks like getting worse. You have all been notified at the beginning of this week that there will be no DC Meeting tonight on the 7/8/2020. Therefore, you will have to put up with another Newsletter.

Vale

I have not been notified of anybody passing in the last month so hopefully this is a good thing.

Business Arising from previous Newsletter

As you all would know by now Bonny Nobrega (NSW State Secretary) and Phil Trifon (NSW State Treasurer) are back in their jobs for another 2 years.

*Phil had completed the P/L on the books and they have been sent off to the ASRF H/O accountant for their records and to produce a National Financial Report. In the mean time the books have been given to Donna Fleming (Revolution Rodders) to audit within the state. I am happy to report that Phil has passed with flying colours. Donna has been paid her usual fee. The books have been returned to me.

Copies of the P/L have been sent out to all clubs by Bonny. If you did not receive a copy please let Bonny know.

New Business

*You all would have received the email from Bonny in regards to the Position Vacant in the ASRF NSW DC. If not please contact Bonny for a copy.

There has been a further nomination for Ian Davis (Elvis) to represent the ASRF NSW on these committees.

We now have two people standing for the position;

John McClelland

Ian Davis

Both have had current and previous experience in this position. If there are no further nominees, I would ask you all to send me an email from your Club President on a letter head who you wish to vote for.

*The Brake Test Manual for 2019 is now squashed and in the bin. Service NSW has now reverted back to the 2017-18 Manual. A new working committee is being formed and that is why this position has been created.

Albury Nationals

By now you all would have heard what is going on with the Nats.

ALBURY NATS IS NOT CANCELLED IT IS POSTPONED!!

Easter 2023 is now the target for Albury Nationals.

An Albury Nats committee P/C meeting was held on the 6/8/2020. Due to the Covid 19 Virus Restrictions the event cannot go ahead. In the last 24 hours I can guarantee that we have the support from the Albury City Council. All Major Sponsors/Traders/Suppliers of Raffle Products have been 100% behind the decision that has been made. The committee are all happy to stand again for their positions and the Sponsors/Traders/Suppliers all wish to roll over and support the event for 2023.

Why is it 2023??

Tasmania already has in place their 2022 proposal in and is currently work in progress. To keep the flow going for the Odds and Evens years, 2023 is the go.

Coming Events

KarNutz is putting on the T-Bucket Nationals at the Hawkesbury Showground. They have fully complied with Covid 19 Rules. A flyer is attached.

NCC Conference

The NCC cannot meet under the Covid 19 rules. The NCC will meet over a couple of weeks with 2-3 sessions recorded/minuted. You will all be notified of the progression of this conference. Please let me know of any items that wish to be brought up at the NCC Conference.

DC MEETINGS

All Face to Face DC Meetings have been shelved in QLD, NSW and VIC.

QLD have trialled a DC Meeting every 2 months in an open-air precinct.

I have approached the Dragens Hot Rod Club to have a Saturday/Sunday Lunchtime meeting with a BBQ in September. If we have a meeting Friday night there are restrictions in regards to seating and the 1.5 metre rule.

Until the next Newsletter/Meeting

Stay Safe and Stay Well
