

ASRF NSW SEPTEMBER NEWSLETTER 2020

Hi All

We are still under Covid 19 Rules. You have all been notified at the beginning of this week that there will be no DC Meeting tonight on the 4/9/2020. Therefore, you will have to put up with another Newsletter.

Vale

I have not been notified of anybody passing in the last month so hopefully this is a good thing.

Business Arising from previous Newsletter

*You all would have received the email from Bonny in regards to the Position Vacant in the ASRF NSW DC.

We have had two people stand for the position;

*John McClelland

*Ian Davis

Over the past month 25 Clubs have responded by email to the Position available. 24 voted and 1 abstained. Thanks to the clubs who took the time to vote. Some clubs are not having meetings. It is a trying time for all.

The majority vote was for Ian Davis to be the ASRF's Rep. for the next 12 months on Full Rego. This position will come up again for tenure next year.

I would like to welcome Ian Davis on board and I hope he does us well.

Thanks' must go to John McClelland for his efforts over the last couple of years.

I will inform both of them and the ACMC of this result.

Albury Nationals

By now you all would have heard what is going on with the Nats.

ALBURY NATS IS NOT CANCELLED IT IS POSTPONED!!

It is to be held at Easter in 2023.

\$22,700 has been transferred back to H/O accounts and the staff have started sending out re-imburements this week.

It was decided to keep open the Albury accounts as they will be used in the future. A small amount of Event Merchandise has been made up and you can order this on-line through Life Style Australia. **This is not Entrant Merchandise.**

SRN

You should all start receiving your current Issue of Street Rodder News this week. The event calendar has been left out of this issue due to the number of cancelled events across the country. Instead there is a taste of what you can see in Tassie 2022 and also a few extra pages on the ASRF Legends recipients.

DC MEETINGS

All Face to Face DC Meetings have been shelved in QLD, NSW and VIC.

QLD have trialled a DC Meeting every 2 months in an open-air precinct plus some on Zoom.

VIC trialled a Zoom DC meeting with only 4 in attendance. They are endeavouring to try again this week for a second Zoom Meeting.

WA, SA, TAS and ACT are having Face to Face meetings.

I have approached the Dragens Hot Rod Club to have a Saturday/Sunday lunchtime meeting.

The Dragens are happy for us to have a Saturday meeting. We would have to change the configuration and have the front desk at the roller door with a **MAX.!!** of 15 in the Club Rooms and the rest seated in the carpark. Thanks again to Ken and Chris who have offered to open up and look after us.

The date would be the 10th October 2020. However, I will confirm this shortly.

Until the next Newsletter/Meeting

Stay Safe and Stay Well
