\*Bert from Idle Wild mentioned that a few mechanical workshops had been targeted for Blue Slip online fraud. 4 Blue Slips in all.  
Be aware and careful.

\*Rob Milburn asked if we have only 6 stewards throughout whole country and 4 judges as well why do we have a Chief National steward  
They have other roles to perform, do we need one?  
David replied that the Chief Steward is not a voting director and that the CNS is neutral and Chairs the NCC meetings.

\*Funds have dried up in the last 3 years due to Covid and funds coming in have been minimal  
In saying this the Christmas party in December, there was a drinks bill of over \$700.00  
Especially for spirits and Beer  
After some discussion and suggestions such as a Bar tab or only soft drinks and Beer to be available.

\*The motion by Glen Waters of Jokers Wild "that the ASRF will only supply the food and soft drinks on the night".  
It was seconded by Dylan of Helkatz  
Motion was passed unanimously.

\*Lots of Travel Permits and Sanctions have come in  
If you could keep in mind especially during the holiday season not to hold onto them, but send them in by post so these Sanctions and Travel Permits can be actioned ASAP
